

Dear Parents,

CCIC Cupertino will host our AWANA Grand Prix during the club night on 03/31/2017.

Grand Prix is a special AWANA event in which all participants compete in racing with small wooden cars, each crafted with the help of a parent. The race itself is held at church with a track.

This friendly competition is fun, and challenging. It is also an opportunity for the parents to get involved in their children's project activities.

Before the race, there is the designing/building of the cars, and your child will need your help to complete the car construction.

On 01/13 7:30-8:15 pm at Room 111, AWANA club will be hosting a kick off meeting to discuss how you can help your children design and build a fast race car. 01/13 is also the deadline for Grand Prix registration.

Registration fee is \$9.00. It includes a car kit with blueprint instructions. Design and Speed Trophies will be awarded to the first 3 places in Sparks and T&T. The first seven places will also receive award certificates and small trophies. All participants will get participation award ribbon.

If your kid is going to participate, please return the form from the bottom part of this letter, along with a check payable to CCIC with your child's name and grade on the memo line, to the AWANA secretaries at the lobby by the 01/13/16 registration deadline. Most update to date info on this event can be found at: http://www.ccic-cupertino.org/awana/c_awana_events.htm. Please let us know if you want to be a volunteer helper in one of the workshops.

In Christ,

CCIC - Cupertino AWANA Club
