Sunday School - Spring Quarter

HIGH SCHOOL SUNDAY SCHOOL READING THE BIBLE WITH YOUR LIFE

Teacher: Elanor Lin
Room: 142

The Bible was meant to be something that changed the lives of all those who read it. This study will lead the youth through obtaining skills in reading the Bible and, most importantly, how to experience the Word to change their lives.

This quarter we'll look at different Bible reading skills, such as Context, the Meaning of Words, Connectives, and the Sender's Intended Meaning, to help the youth dive into the richness of what the Bible has to offer. And we'll keep on coming back to our attitude towards God's word, as we read from the Spirit, in faith, allowing the Bible to do its surgery on our hearts.

MIDDLE SCHOOL SUNDAY SCHOOL BOOK STUDY - 1 & 2 PETER

Teacher: Peter Hwang
Room: 108

1 and 2 Peter focus on a time in the church of persecution, false teaching, and suffering. But Peter reminds the early church of the hope they have in Christ and how they might walk with God through it all.

The middle schoolers have spent the last two quarters learning the Story of Salvation that brings us from beginning to end of the Bible and of all human history. Now they're ready to jump back into a book study that allows them do dive deeply into the specific verses of the Bible and be encouraged and built up by Peter's words to the exiles of the early church.

March Announcements

AWANA GRAND PRIX Friday, March 7, 6pm-9:30pm

The youth are serving at the carnival taking place during the AWANA Grand Prix. We have booths and games set up throughout the church. We are still looking for helpers to sign up for slots. Please sign up at the QR code if your youth haven't already! It will be a great time to serve together and help out the children's ministry.

Volunteers are invited for a free dinner at 6pm!

FACILITIES ANNOUNCEMENT!

Facilities is asking us to get help from parents to remind their youth to clean up after themselves, especially in Room 104 next to the kitchen and in Sanctuary B.

What seems to be happening is that some youth are leaving early and forgetting to clean up their mess, and then the youth who stay behind do not know whose mess it is and do not clean it up.

We as youth leaders will be speaking to the group about this, and we'd appreciate help from the parents as well: As you're picking up your kids and leaving the church each Friday, can you please ask them if they've cleaned up their snacks, and send them back if they have not. Thank you for your help in keeping our church clean!

MEXICO MISSIONS TEAM LAST CALL!

The Mexico team is almost fully formed now with around 25 people. If you are still interested in going to Mexico, please contact Peter Hwang (peetah911@gmail.com) ASAP!

Summer 2025:
Tues 6/17 - Tues 6/24

App and Deposit due Fri 2/28

Prayer Requests

February Retreat Praise!

Praise God for an awesome February retreat! Many moving parts came together to make this retreat possible, including leaders, youth, and counselors all working together. The youth experienced God move through prayer walks, a powerful movie, stations, and midnight worship. They also bonded with one another over team-building games and skits. The theme "Beautiful Mess" resonated with everyone, especially the planners, as God reminded us what He is capable of doing in his creative power in our lives. In the aftermath, please pray that the youth would take home their new knowledge and experiences and use them in their daily lives to continue to grow spiritually.

Mexico Missions Team

We are almost done forming the Mexico Missions team for this summer. Please pray for any youth who are on the fence about going on the trip, that God would nudge them one way or the other as He desires to lead them over their summer break. Pray for the leaders that God would help them to prepare the team well in these coming months.

Looking For Part-Time Female Staff

As Elanor is transitioning out of serving with the youth, the youth group is looking to hire a part-time female staff member to support Peter, take on some of the workload, and especially to minister to the female youth. Please pray that God would raise up a worker for the harvest and that she would be full of His heart and hear His voice clearly.

Graduating Class of 2025

March is when many seniors will be receiving their college letters. Pray that God would be with them and they can lean on him in success and failure, as they trust him with their futures. Pray that they may hear from Him about decisions they will need to make about their next steps with God.

AWANA Grand Prix

Pray for the AWANA Grand Prix this Friday! Pray that God would help the logistics of the large event to go smoothly and that our church can work together in love and unity during this event. Pray also that God would use this event to bring newcomers to find a church home with us for them and their families.
